

PRODUCT SPECIFICATION

REF 490710 SALVEQUICK PLASTER DISPENSER, EMPTY

1 GENERAL PRODUCT DESCRIPTION

Description

An empty (no plasters included) dispenser for Cederroth Salvequick refills with adhesive bandages (plasters) which protects the plasters from dust, dirt and moisture until time of use. When a plaster is needed it can easily be pulled out from the dispenser and applied on the wound using one hand only. The dispenser also functions as an anti-theft system. The plasters are to be used in first aid situations on minor wounds.

The dispenser contains 65% post-consumer recycled plastic (>85% in green coloured parts).

Storage information

Dry storage in room temperature. For maximum protection, keep the products (not included) in original package until use.
