

T3™ - Next Generation Bandage

Essential and Intuitive Compression

- Multifunctional bandage for various wounds
- Expandable and detachable sterile pad
- Foldable gauze suitable for cleaning and dressing wounds
- Wrap severe wounds and amputations
- Compact, lightweight, waterproof, and vacuum sealed packaging

A Compression Kit in the Palm of Your Hand

The T3 Bandage™ offers a compact, multifunctional solution to effectively treat a wide range of injuries including conventional wounds, abdominal and large wounds, amputations, as well as entry and exit wounds.

The T3's versatile design also provides an effective solution for cleaning, covering, and compressing single or multiple wounds.

T3 Bandage™

Product Highlights

Based on the trusted design of the original Emergency Bandage®.

Multiple functions in one compact device.
